Corbetta (MI), Italy

**This European Technical Assessment
contains**

32 pages including 19 Annexes which form
an integral part of this assessment.
Annexes contain confidential information
and are not included in the European
Technical Assessment when that
assessment is publicly disseminated.

**This European Technical Assessment is
issued in accordance with regulation
(EU) No 305/2011, on the basis of**

ETAG 013, Guideline for European
technical assessment for Post-Tensioning
Kits for Prestressing of Structures, Edition
June 2002, used according to Article 66 (3)
of Regulation (EU) No. 305/2011 as
European Assessment Document.

Translations of this European Technical Assessment in other languages shall fully correspond to the original issued document and should be identified as such.

Communication of this European Technical Assessment, including transmission by electronic means, shall be in full (except the confidential Annexes referred to above). However, partial reproduction may be made, with the written consent of the issuing Technical Assessment Body. Any partial reproduction has to be identified as such.
